From log castles to the smallest jails, and a church that is made out of mud and even our own "Stonehenge", Ontario has a wealth of sites that are unusual in many ways... they may be biggest of their kind or the smallest, and they may be the last of their kind. Our presentation will reveal to you some of the strangest and the most bizarre sites in the Province. Our presenter is author Ron Brown who will describe and display some of the locations in his book "Top 160 Unusual Things to See in Ontario". Plan your next Ontario "staycation" when travel permits.
