This week - Jess Bowman

Hi there! My name is Jess Bowman, and I am a 26 year old singer, songwriter, and musician.

Growing up listening to artists such as Elvis Presley, Johnny Cash and Dolly Parton have played a massive part in who I am as a musician today. I love to have variety in my setlist that makes sure there is something for everyone to enjoy! My biggest musical inspiration is Ed Sheeran. I discovered loop pedal when I was around 14

and started incorporating it in my gigs when I was 19. The loop pedal gives me the opportunity to widen my performance making myself into a "one man band" on the stage.
