Address: Wasaga Beach, ON

Enjoy live music alongside our beautiful beachfront weekly as part of our Summer Sets series from 4-6pm on Friday's and Saturday's!

"Proudly independent and unapologetically authentic, country artist Dean James finds his true voice on his upcoming new EP. Dean James grew up in Peterborough, Ontario but didn't stick around too long once he started to pursue his musical dreams. In 2015, he accepted an opportunity to move to Music City and learn how to perform from the best of the best at Tootsies Orchid Lounge on Broadway. Dean's strong vocals along with his immense jukebox-like knowledge of country music showcase a powerfully refreshing mix of talent, passion and unfiltered authenticity. Since moving back to Canada in 2016, he's sold out shows, had the opportunity to open concerts for several artists and has got to play some of the most legendary stages in Canadian Country music."

Early in 2010, Real Estate Developer Mark Crowe sat down with a few friends and came up with an idea. Construction was already well underway on Wasaga's newest community, Stonebridge by the Bay, and it was time to show it off. What better than a fall music festival to give visitors a peek at what our town was on the road to becoming?

Now, one decade later, Stonebridge Wasaga Beach Blues is an international, award winning music event featuring three days of top entertainment on two main stages, and welcoming thousands of music fans every year.

Wasaga Beach Blues is operated by an independent committee, who work 12 months a year to make it all happen. Mark Crowe remains close to the festival and provides generous, ongoing sponsorship on behalf of the Stonebridge community.

Thank you to everyone who has supported and loved the festival in the past. We are back for our 10th Anniversary Festival this year. Let's make 2022 the best festival ever!
