"Proudly independent and unapologetically authentic, country artist Dean James finds his true voice on his upcoming new EP. Dean James grew up in Peterborough, Ontario but didn't stick around too long once he started to pursue his musical dreams. In 2015, he accepted an opportunity to move to Music City and learn how to perform from the best of the best at Tootsies Orchid Lounge on Broadway. Dean's strong vocals along with his immense jukebox-like knowledge of country music showcase a powerfully refreshing mix of talent, passion and unfiltered authenticity. Since moving back to Canada in 2016, he's sold out shows, had the opportunity to open concerts for several artists and has got to play some of the most legendary stages in Canadian Country music."
