Address: 544 River Road West - New Stars Arena

Active Living Fair - Indoor Walking Track & Walking Challenge

Enjoy seeing and experiencing the Indoor Walking Track.

Do some casual walking, or if you want to kick it up a notch, then join in the Challenge, your choice.

To use the track, you must bring indoor shoes (no outdoor shoes are allowed), also the track is not heated so you will need some warmer clothing, but **not** too heavy.

The Challenge is **not** a race, we will be measuring how **consistent** you can walk (steps per second per lap), for as many laps as you can do in 20 to 25 minutes. Your walking pace is not important, **any** pace will do, just have fun. You just need to complete **at least 2** laps and record your **time & steps after each lap** (it's easy and we will help). You will find a pedometer in your swag bag. Prizes for top 3 'best consistency'.
